

MBI Summary Search Criteria

M3 Corporate Finance has a retained client looking for Management-Buy-In opportunities, bringing good experience and funds to invest.

The opportunity should align broadly with the criteria listed below:

SECTOR:

It will be **B2B**, preferably in the **manufacturing** or **service** contracting sectors. **Wholesale, manufacturing** and **distribution** particularly sought, though any high quality opportunities will be of interest. Other suitable sectors include printing, publishing and green sectors like recycling.

FINANCIALS:

Strong/reasonable balance sheet and must be profitable. Likely to be around 15-50 people with a turnover from **£2m upwards**.

GEOGRAPHY:

Within a 1-hour commute from Chippenham, though this is not the top priority. Search area could extend north as far as the **Midlands**, west to **Mid-Devon**, **South Wales**, east to **Reading** and **south to the coast**.

MBI CLIENT:

The MBI Client brings SME Director experience in financial and operational management including successfully engineering a buy-out, and seeks a good secondary management team looking for leadership and mentoring. He also has a good network of similar minded professionals with skills in sales and marketing, and operational skills to add to the team.
