

Project Fire

***Established and Profitable Fire Protection Services Business for sale.
Midlands based***

A superb opportunity exists to acquire a consistently profitable business, with an enviable reputation.

The business specialises in providing all types of fire protection service including Riser, Sprinkler and Extinguisher systems to an enviable variety of mainly public sector clients. It has become one of the larger UK wide providers in Dry and Wet Riser systems, and has been established for 14 years. The business has achieved progressive growth and an increasing customer base through reputation, and without significant marketing activity from the current owners. Vendor is willing to stay involved with any new owners.

- Very Strong repeat trade
- Good market sector reputation
- Skilled Engineering Team
- Fleet of owned vehicles
- Turnover in excess of £1.8m in 2008
- Gross margins >50%, EBITDA £250k
- Wide and loyal customer base
- Freehold Premises also available
